10/30/76

Dear Larry,

Jim Lesar and I are speaking at U. Wisc. Stevens Point the week of 11/18. We go out on a weekday, return Sunday 11/14.

I'd appreciate it if you could meet us at the airport with those Minuteman records I've been wanting to get back.

We could also have a chance to xhat for a while.

We'll be arriving at O'Hare on North Central Flight 452, I don't know exactly when but I suppose a little after 2 p.m. We leave on TWA 114 at 3:45. I should be at that gate earlier to see if I can arrange a seat that permits me to keep my legs raised without blocking the aisle.

We may be doing things that interest you. They are unreported.

Best,
